catalog number: L761

code EAN: 5906534007667

brand:

shipping time: 24h

price

7,40 EUR

product description

K2 T6 KLINET is a combination of fast evaporating, safe solvents for

degreasing and cleaning the paint before applying waxes, sealants or ceramic coating.

It guarantees better bonding of the product with the surface, thanks to which it lasts much longer.

Perfectly copes with the removal of residues of polishing pastes, resin and glue after stickers. It is fully

safe for all types of paints, plastic, rubber and glass elements.
